OTHERS UPON REQUEST PLS

sanctions to iran:

All BSLE's offers and bookings are subject to merchants and/or cargo and/or origin and or destination being in compliance with latest sanction resolutions issued by i.a. the United Nations and the European Community for which compliance merchants are responsible towards BSLE/Master/Owner/Agents.

The sanction lists recently issued by governmental bodies make it necessary for BSLE to inform merchants that BSLE will follow all instructions/advice they may receive from governments, official entities and/or insurance companies particularly regarding Iran bound cargo and vessels' calls at Iranian ports, be that before loading or during all subsequent stages of the transport.

BSLE Malta Lda reserves their right, if so requested by any one of the a.m. parties to exclude cargo from being loaded and to discharge Iran bound cargo at a port convenient to BSLE at merchants' risk and expenses.

--

The navigational route followed by BSLE vessels in their trade Europe/Middle East/Europe usually passes thru Suez channel and Gulf of Aden. BSLE reserves their right to change routing should the known situation in that area in their exclusive judgement change.
