

LINER BILL OF LADING

(Liner terms approved by the Baltic and International Maritime Conference)

Code Name 'CONELINEBILL'

Amended August 1st, 1950.

Amended 1st, 1952.

1. Definition.

Wherever the term 'Merchant' is used in this Bill of Lading, it shall be deemed to include the Shipper, the Receiver, the Consignee, the Holder of the Bill of Lading and the Owner of the cargo.

2. Paramount Clause.

The Hague Rules contained in the International Convention for the Unification of certain rules relating to Bills of Lading, dated Brussels the 25th August 1924, as enacted in the country of shipment shall apply to this contract. When no such enactment is in force in the country of shipment, the corresponding legislation of the country of destination shall apply, but in respect of shipments to which no such enactments are compulsorily applicable the terms of the said Convention shall apply.

3. Jurisdiction.

Any dispute arising under this Bill of Lading shall be decided in the country where the Carrier has his principal place of business, and the law of such country shall apply except as provided elsewhere herein.

4. Period of Responsibility.

The Carrier or his Agent shall not be liable for loss of or damage to the goods during the period before loading and after discharge from the vessel, howsoever such loss or damage arises.

5. The Scope of Voyage.

The contract is for liner service and the voyage herein undertaken shall include usual or customary or advertised ports of call whether named in this contract or not, also ports in or out of the advertised, geographical, usual or ordinary route or order, even though in proceeding thereto the vessel may sail beyond the port of discharge or in a direction contrary thereto, or depart from the direct or customary route. The vessel may call at any port for the purpose of the current voyage or of a prior or subsequent voyage. The vessel may omit calling at any port or ports whether scheduled or not, and may call at the same port more than once: may, either with or without the goods on board, and before or after proceeding towards the port of discharge, adjust compasses, dry-dock, go on ways or to repair yards, shift berths, undergo degaussing, wiping or similar measures, take fuel or stores, land stowaways, remain in port, sail without pilots, tow and be towed, and save or attempt to save life or property, and all of the foregoing are included in the contract voyage.

6. Substitution of Vessel, Transhipment and Forwarding.

Whether expressly arranged beforehand or otherwise, the Carrier shall be at liberty to carry the goods to their port of destination by the said or other vessel or vessels either belonging to the Carrier or others, or by other means of transport, proceeding either directly or indirectly to such port and to carry the goods or part of them beyond their port of destination, and to tranship, land and store the goods either on shore or afloat and reshipe and forward the same at Carrier's expense but at Merchant's risk. When the ultimate destination at which the Carrier may have engaged to deliver the goods is other than the vessel's port of discharge, the Carrier acts as Forwarding Agent only.

The responsibility of the Carrier shall be limited to the part of the transport performed by him on vessels under his management and no claim will be acknowledged by the Carrier for damage or loss arising during any other part of the transport even though the freight for the whole transport has been collected by him.

7. Lighterage.

Any lighterage in or off ports of loading or ports of discharge to be for the account of the Merchant.

8. Loading, Discharging and Delivery

of the cargo shall be arranged by the Carrier's Agent unless otherwise agreed. Landing, storing and delivery shall be for the Merchant's account.

Loading and discharging may commence without previous notice

The Merchant or his Assign shall tender the goods when the vessel is ready to load and as fast as the vessel can receive and - but only if required by the Carrier - also outside ordinary working hours notwithstanding any custom of the port. Otherwise the Carrier shall be relieved of any obligation to load such cargo and the vessel may leave the port without further notice and dead freight is to be paid.

The Merchant or his Assign shall take delivery of the goods and continue to receive the goods as fast as the vessel can deliver and - but only if required by the Carrier - also outside ordinary working hours notwithstanding any custom of the port. Otherwise the Carrier shall be at liberty to discharge the goods and any discharge to be deemed a true fulfilment of the contract, or alternatively to act under clause 16.

Goods are to be deemed delivered to the consignee at the precise moment these goods are discharged from the ship. Any protestation or reservation tendered after discharging is null and void.

The Merchant shall bear all overtime charges in connection with tendering and taking delivery of the goods as above. If the goods are not applied for within a reasonable time, the Carrier may sell the same privately or by auction.

The Merchant shall accept his reasonable proportion of unidentified loose cargo.

9. Live Animals, Plants and Deck Cargo

shall be carried subject to the Hague Rules as referred to in clause 2 hereof with the exception that the Carrier shall not be liable for any loss or damage resulting from any act, neglect or default of his servants in the management of such animals, plants and deck cargo.

10. Options.

The port of discharge for optional cargo must be declared to the vessel's Agents at the first of the optional ports not later than 48 hours before the vessel's arrival there. In the absence of such declaration the Carrier may elect to discharge at the first or any other optional port and the contract of carriage shall then be considered as having been fulfilled. Any option can be exercised for the total quantity under this Bill of Lading only.

11. Freight and Charges.

a) Prepayable freight, whether actually paid or not, shall be considered as fully earned upon loading and non-returnable in any event, The Carrier's claim for any charges under this contract shall be considered definitely payable in like manner as soon as the charges have been incurred.

Interest at 5 per cent shall run from the date when freight and charges are due.

b) The Merchant shall be liable for expenses of fumigation and of gathering and sorting loose cargo and of weighing on board and expenses incurred in repairing damage to and replacing of packing due to excepted causes and for all expenses by extra handling of the cargo for any of the aforementioned reasons.

d) The Merchant shall be liable for all fines and/or losses which the Carrier, vessel or cargo may incur through non-observance of Custom House and/or import or export regulations.

e) The Carrier is entitled in case of incorrect declaration of contents, weight, measurements or value of the goods to claim double the amount of freight which would have been due if such declaration had been correctly given. For the purpose of ascertaining the actual facts, the Carrier reserves the right to obtain from the Merchant the original invoice and to have the contents inspected and the weight, measurement or value verified.

f) Freight to be paid either in USA dollars or, if acceptable to the lines, in the currency of the country, where the port of shipment lies (for prepaid shipments). The USA dollar to be converted at the highest rate of exchange ruling on the day prior to ship's departure (for freight prepaid shipments). However, in case of a change in the interrelationship of currencies as valid and as established by the International Monetary Fund on November, 22nd, 1967, payment will have to be effected as the carrier will decide in:

a) USA dollar or

disaster before or after commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not, for which or for the consequence of which the Carrier is not responsible by statute, contract or otherwise, the Merchant shall contribute with the Carrier in General Average to the payment of any sacrifice, losses or expenses of a General Average nature that may be made or incurred, and shall pay salvage and special charges incurred in respect of the goods. If a salving vessel is owned or operated by the Carrier, salvage shall be paid for as fully as if the salving vessel or vessels belonged to strangers.

15. Both-to-blame Collision Clause. (This clause to remain in effect even if unenforceable in the Courts of the United States of America.)

If the vessel comes into collision with another vessel as a result of the negligence of the other vessel and any act, negligence or default of the Master, Mariner, Pilot or the servants of the Carrier in the navigation or in the management of the vessel, the Merchant will indemnify the Carrier against all loss or liability to the other or non-carrying vessel or her Owner in so far as such loss or liability represents loss of or damage to or any claim whatsoever of the Owner of the said goods paid or payable by the other or non-carrying vessel or her Owner to the Owner of said cargo and set-off, or recouped or recovered by the other or non-carrying vessel or her Owner as part of his claim against the carrying vessel or Carrier. The foregoing provisions shall also apply where the Owner, operator or those in charge of any vessel or vessels or Objects other than, or in addition to, the colliding vessels or objects are at fault in respect of a collision or contact.

16. Government directions, War, Epidemics, Ice, Strikes, etc.

a) The Master and the Carrier shall have liberty to comply with any order or directions or recommendations in connection with the transports under this contract given by any Government or Authority, or anybody acting or purporting to act on behalf of such Government or Authority, or having under the terms of the insurance on the vessel the right to give such orders or directions or recommendations.

b) Should it appear that the performance of the transport would expose the vessel or any goods on board to risk of seizure or damage or delay, resulting from war, warlike operations, blockade, riots, civil commotions or piracy, or any person on board to the risk of loss of life or freedom, or that any such risk has increased, the Master may discharge the cargo at port of loading or any other safe and convenient port.

c) Should it appear that epidemics, quarantine, ice - labour troubles, labour obstructions, strikes, lockouts, any which on board or on shore - difficulties in loading or discharging would prevent the vessel from leaving the port of loading or reaching or entering the port of discharge or there discharging in the usual manner and leaving again, all of which safely and without delay, the Master may discharge the cargo at port of loading or any other safe and convenient port.

d) The discharge under the provisions of this clause of any cargo for which a Bill of Lading has been issued shall be deemed due fulfillment of the contract. If in connection with the exercise of any liberty under this clause any extra expenses are incurred, they shall be paid by the Merchant in addition to the freight, together with return freight if any and a reasonable compensation for any extra services rendered to the goods.

e) If any situation referred to in this clause may be anticipated, or if for any such reason the vessel cannot safely and without delay reach or enter the loading port or must undergo repairs, the Carrier may cancel the contract before the Bill of Lading is issued,

fi The Merchant shall be informed if possible.

17. Identify of Carrier.

The Contract evidenced by this Bill of Lading is between the Merchant and the Owner of the vessel named herein (or Substitute) and it is therefore agreed that said Shipowner only shall be liable for any damage or loss due to any breach or non-performance of any obligation arising out of the contract of carriage, whether or not relating to the vessel's seaworthiness. If, despite the foregoing, it is adjudged that any other is the Carrier and/or bailee of the goods shipped hereunder, all limitations of, and exonerations from, liability provided for by law or by this Bill of Lading shall be available to such other. It is further understood and agreed that as the Line, Company or Agents who has executed this Bill of Lading for and on behalf of the Master is not a principal in the transaction, said Line, Company or Agents shall not be under any liability arising out of the contract of carriage, nor as Carrier nor bailee of the goods.
